**Abstract.** The abstract should briefly summarize the contents of the paper in about 200-400 words.

*Keywords:* Keyword 1 · Keyword 2 · Keyword 3.

## 1 Introduction

### 1.1 A Subsection Sample

Please note that the first paragraph of a section or subsection is not indented. The first paragraph that follows a table, figure, equation etc. does not need an indent, either.

Subsequent paragraphs, however, are indented.

**Sample Heading (Third Level)** Only two levels of headings should be numbered. Lower level headings remain unnumbered; they are formatted as run-in headings.

*Sample Heading (Fourth Level)* The contribution should contain no more than four levels of headings. Table 1 gives a summary of all heading levels.

## 2 Methods

## 3 Figures

The histogram is given in Figure 1.

**Figure 1.** Histogram

## 4 Table

See Table 1

**Table 1.** Score
